

5-Week UI/UX Plan for DeliverNow Food Delivery App

PHASE 1 — Weeks 1-3 → Mid-fidelity prototypes + testing

Empathize (Week 1)

✓ **Goal:** Understand real problems for the 4 personas

👉 **Tasks:**

a) create 4 personas:

1. Client / Customer
2. Restaurant owner
3. Runner / Delivery person
4. Runner manager

b) Plan and conduct user research interviews / surveys (at least 5 people in total, ideally more)

c) Document pain points (e.g. wrong delivery times, too much cutlery, poor runner allocation)

d) Draft user interview/survey questions

e) Create persona templates

f) Analyze raw responses to extract key pain points

Define (Week 1-2)

✓ **Goal:** Clearly state the problem to solve

👉 **Tasks:**

a) Write problem statements for each persona

(e.g. “Clients need accurate delivery estimates so they can plan their meals without frustration”)

b) Map current user journeys (as-is) showing where problems occur

Ideate (Week 2)

✓ **Goal:** Generate ideas and solutions

👉 Tasks:

- a) Brainstorm solutions per persona (individually or as a team)
- b) Sketch wire-frames on paper or digitally
- c) Prioritize features (MoSCoW method: Must have / Should have / Could have / Won't have)

Prototype (Week 2-3)

✅ **Goal:** Build mid-fidelity wire-frames + link screens into journeys

👉 Tasks:

- a) Design mid-fidelity prototypes (gray scale, no colors, focus on layout + flow)
 - 1. Mobile + Desktop for each persona
 - 2. Create clickable flows for one order journey

Test (Week 3)

✅ **Goal:** Validate mid-fidelity prototypes with users

👉 Tasks:

- a) Test with at least 5 people
- b) Document feedback (what worked? what confused them?)

📅 PHASE 2 — Weeks 4-5 → High-fidelity prototypes + testing

Refine & Design Final UI (Week 4)

✅ **Goal:** Apply feedback + polish designs

👉 Tasks:

- a) Adjust wire-frames based on test results
- b) Add color, fonts, iconography, imagery
- c) Ensure accessibility (contrast, font size)

Final Testing (Week 5)

✅ **Goal:** Validate high-fidelity prototypes

👉 **Tasks:**

- a) Test with at least 5 people again
- b) Document findings
